

John Gallucci Jr., MS, ATC, PT, DPT, the dynamic CEO of JAG-ONE Physical Therapy, is in demand for his expertise in sports medicine, rehabilitation, and injury prevention. Most recently, John has been honored as a 2017 Ernst and Young Entrepreneur of the Year Regional Award Winner and has been featured as one of the “20 People to Watch in Health” by 201 Magazine. A noted author, Gallucci released his first book titled *Soccer Injury Prevention and Treatment* in May 2014. His second book, titled *Play Ball: Don't Let Injuries Sideline You This Season* was released on May 1, 2018.

Aside from his work at JAG-ONE Physical Therapy, John sits as the Chair of the New Jersey Council on Physical Fitness and Sports and is the Medical Coordinator for Major League Soccer (MLS), consulting on the medical care of more than 600 professional soccer players. Prior to opening JAG Physical Therapy in 2005, Gallucci served as the Program Director of Barnabas Health's Sports Medicine Institute. He is the former Head Athletic Trainer of the New York Red Bulls MLS team and is a Sports Medicine consultant for professional athletes in the NHL, NFL, NBA, and MLB. He has also worked in the Athletic Departments of Columbia University, New York University and Long Island University, and has been a Clinical Instructor at Dominican College, Columbia University, Seton Hall University, and Rutgers University.

A popular public speaker, John's enthusiasm and vibrant approach has made him one of the most reputable motivational speakers and business coaches in the Tri-State Area. John instantly captures the audience's attention through his passion, humor, and personal experiences, leaving a lasting impact on the audience to reach the next level. John has presented for a wide variety of companies and media outlets, including ESPN, Fox 5, PIX11, Horizon Blue Cross Blue Shield, the Federal Bureau of Investigation and UPS.

In the local community, John's philanthropic efforts have included a leading role in the fundraisers for The Valerie Fund, RWJBarnabas Health, The Arthritis Foundation, The American Cancer Society and The Leukemia & Lymphoma Society. He supports more than 100 high schools, college programs and athletic clubs throughout the Tri-State Area.
